Profile

I am definitely more of the creative, self-enabling, keen-on-learning kind of guy, living in Hamburg. I'm close to the finishing-line for my M.Sc studies at HSBA while currently working at one of the nicest product and experience companies around, Adobe.

Abstract

**VALUES**

--- write down my expectations and match with corp values ---

**SKILLS**

--- write down skills that match with requested skills ---

**PROJECTS**

--- write down project that matches with expected work ---

**UNIVERSITIES**

**COMPANIES**

... for a unique hiring experience!
